What is Live Rating?

Integrated Live Rating is the ability to display your InXpress discounted shipping rates in your eCommerce platform's cart. This will provide your customers with accurate shipping rates when deciding between different shipping options.

BigCommerce App Installation from Webship+

1. Log into Webship+.

	UPS: Enabled			
	Residential Fees: Charlos Residential Shipping Fees Save			

3. Select Include Residential Shipping Fees if you wish to quote residential surcharges in your BigCommerce cart. Please note that this is a blanket application of the surcharge and will be applied to all orders.

Webship+

Configure Box Packing

The InXpress app will fit products for an order into the most appropriate box. The box a product is packed in is based on the products' weight and dimensions and the boxes' max weight and dimensions. For best results, please ensure all products are fully set up with dimensional information in BigCommerce.

- 1. Select the Box tab in the InXpress app.
- 2. Select Add.

DDP – Stacked Landed Cost Suppressed

This option displays two shipping options for each service. The first option will be regular shipping charges without Landed Cost added to the total. The second option will be the shipping charges with the Landed Cost amount added to the total. It does not show the Landed Cost breakout.
