

HOW TO CONFIGURE YOUR INXPRESS DHL ACCOUNT IN ORDERCUP

InXpress is an authorized sales partner for DHL Express and provides customers with greater value, added shipping solutions, and genuine personalized customer service.

After you open your InXpress account, you can configure OrderCup to display your InXpress rates in OrderCup when you select a DHL Express service.

To configure OrderCup to use InXpress rates for your DHL Express shipments:

1. Go to Settings - Carriers & Fulfillment - DHL

k

2. In the Use drop down, select 'Reseller DHL Account'.
